

FMLA EASE by BASIC

When Compliance Matters

FMLA Ease is designed to provide administrative support to employers that have a low frequency of FMLA claims. BASIC provides expert assistance and compliance designed to fully manage all types of FMLA events and circumstances after receiving event data from the employer. Our service offers consistent, non-biased and compliant administration of FMLA, including State Leave, while enabling the employer to maintain current attendance and absence management programs.

Guaranteed Compliance Assurance

When an employer identifies a potential FMLA claim they notify BASIC through an online form.

BASIC does everything else. We use proven best practices and apply consistent administration to safeguard our clients. We keep the employer informed with all claim details and related absence.
